Re: MUR 4973
Respondent:
Marta Macias Brown
For Congress and
Mr. M. S. Tomlinson as Treasurer

In response to your further inquiry as to the amount that was spent on the brochures that were sent out without a complete federal type identification, I have determined that the sum of \$14,257.00 was spent on "Tradition" and \$9,576.00 was spent on "Gun Comparison".

A copy of the brochures is sent with this letter for your files. A copy of the face pages will be faxed with this letter.

Please advise if you require further information.

Very truly yours,

M. S. Tomlinson

Marta Macias Brown for Congress Committee

Dear Mrs. Brown:

As Chair of the Handgun Control Voter Education Fund, I am pleased to endorse your candidacy for the U. S. House of Representatives. When it comes to the prevention of gun violence, the voters of California's 42nd Congressional District have a clear choice.

You understand that sensible gun laws can save lives. That's why you support the Brady Law and the ban assault weapons. That's why you will vote to close all the loopholes in our laws that allow children and criminals easy access to firearms. We are not trying to take guns away from law-abiding citizens. We want responsible laws that promote gun safety and responsibility. We are trying to save lives. We are trying to protect our children and our communities from gun violence.

Joe Baca, on the other hand, has always stood side-by-side with the gun lobby -- lock, stock, and barrel. When it comes to a choice between guns and children, we know which side Joe Baca will fight for -- and it won't be for our children.

We need to be assured that California's 42nd Congressional district continues to be represented by someone who recognizes that a safer America is a stronger America and is committed to eradicating our nation's gun violence epidemic.

I am honored to extend to you our wholehearted endorsement.

Sincerely,

Sarah Brady
